

**JAM**  
**Cure for the Big Disaster**

**April 21, 2021**  
**Jesus Prays**  
**(Garden of Gethsemane)**

**Thoughts to emphasize:**

Jesus came to serve  
Jesus is God's Son  
Jesus died for me

**Bible Verse:**

John 3:16 - For God so loved the world that He gave His one and only Son that whoever believes on Him will not perish but have eternal life.

John 14:6 - "I am the Way, the Truth, and the Life. No one comes to the Father except through me."

---

Supplies needed:

**Craft Center Activity**

While holding stem (pipe cleaner), gently open up the flower accordion and begin pulling the top layer straight up all the way around the flower. Be careful not to rip the paper (but small tears will not ruin the project). Separate the other two layers by pulling the middle layer straight up toward the top layer, while pulling the bottom layer straight down. Flip the flower upside down and gently run your fingers from the center stem to the edge applying gentle pressure. This craft requires some help, but the kids love the final result. You can spray with cologne to make it smell good.

Prepared tissue paper flower

Talk about how flowers may have been in the garden where Jesus went to pray.

**Snack Center Activity**

Place marshmallow on end of pretzel rod to make a "tree" - helps to poke a hole in the marshmallow first. Dip marshmallow in water and roll in green sugar (leaves). Talk about how Jesus went to a quiet place to talk to God.

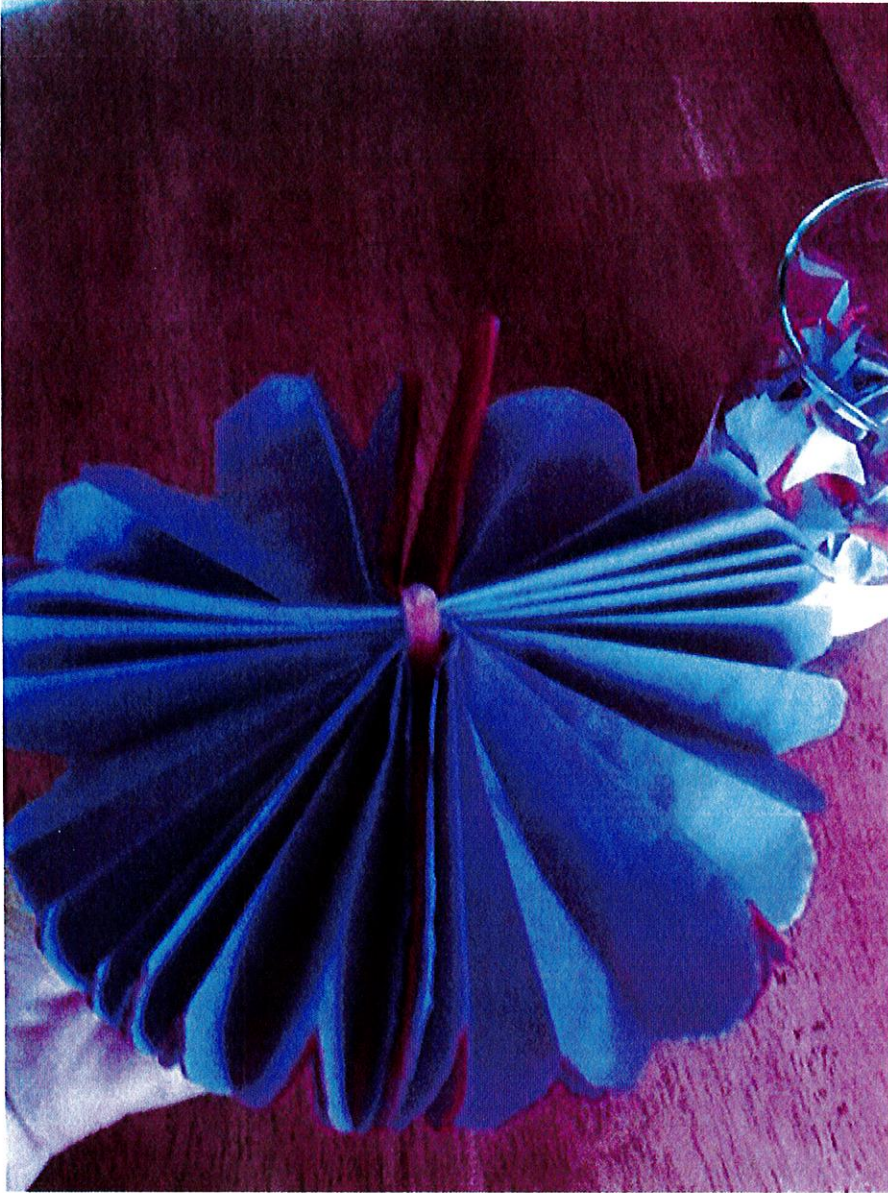

Pretzel rod  
Jumbo marshmallows  
Green sugar  
Cup of water

**Worksheet Center Activity**

Talk about how Jesus took time to pray and that we can pray anytime.

Copies of worksheet/crayons

## Fluff and Finish Your Flowers!

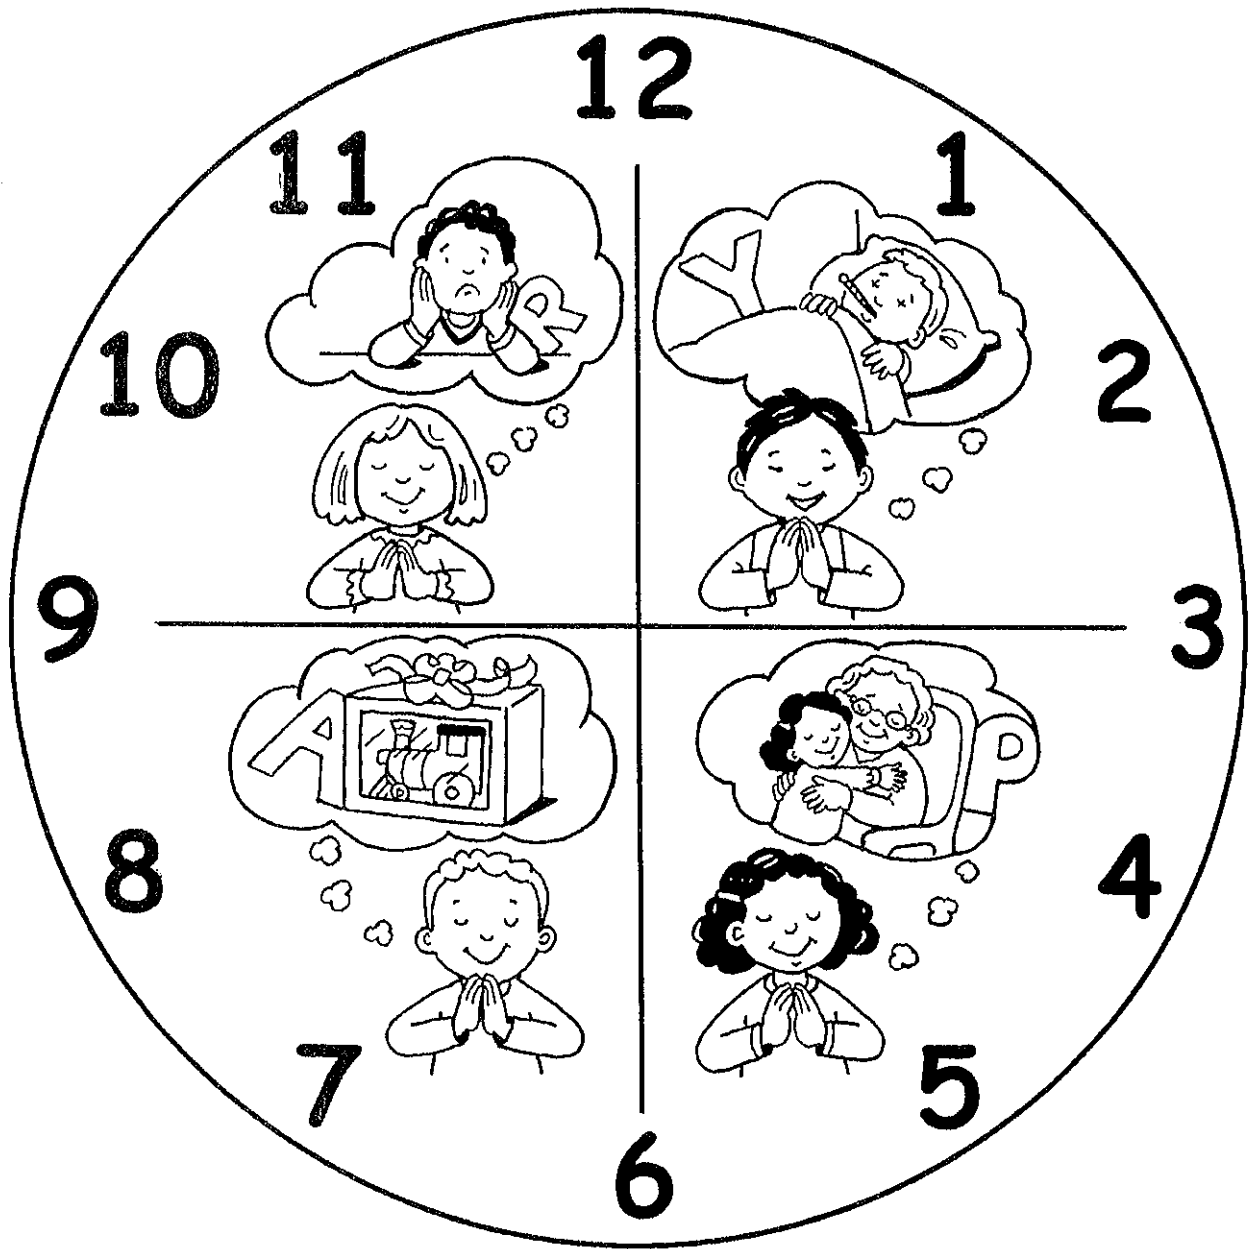

While holding your stem (pipe cleaner), gently open up the flower accordion and begin pulling the top layer straight up all the way around the flower. Be careful not to rip the delicate paper. You usually can't tell if it's been ripped.

Separate the other two layers by pulling the middle layer straight up toward the top layer, while pulling the bottom layer straight down.

Finally, flip the flower upside down and gently run your fingers from the center stem to the edge applying gentle pressure, pressing the bottom layer down toward the middle layer.

Find and circle the letters PRAY in the clock.  
 We can talk to God by praying any time of the day.

When are some times you might want to pray? We can pray to God anytime. We can thank Him, say we love Him or ask Him for help. The Bible says, "The Lord hears when I pray to him." (See Psalm 4:3.)

On the blank lines, write the beginning sounds of each picture.  
 We can talk to God
