## BIBLE TIME for Toddlers

### Jesus Taught About God

Many people came from all over to see Jesus. They saw him heal people and perform many miracles. They listened to him teach. Jesus taught about God and how we can live the way God wants us to. Jesus said that we should love God and each other. We should be kind and forgive others when they hurt us. God takes care of us and gives us many blessings. We should share and tell others about all the wonderful things God does for us. God loves us so much He sent Jesus to be born. Jesus taught about God and showed us how to love each other. Then Jesus loved us so much he died on the cross for us. God made Jesus alive again and now one day we will be with God and Jesus, too.

Jesus said, “I am the Way, the Truth, and the Life.” That means we should follow Jesus to get to God. We can trust that Jesus leads us to God.

God is our good shepherd. We can follow Him. He loves us and keeps us safe. God has a special plan for each of us. We can trust God to take good care of us.
