2020 END-OF-YEAR REPORT

On this page, I would like to present what I sent you last year (2020). As you can see on the bottom picture, my end-of-year-report was given in December 2020. Several things were accomplished by our ministry because of God's blessing. Regardless, it was a very difficult year for us in terms of the pandemic and the State and the country closing, Maritza and I were able to keep our missionaries duties by using videoconferencing (Zoom). Thanks to God, I was using this technology before the pandemic, so it was something familiar to me and an adjustment was not necessary.

Also, on the bottom of this column, there is page 5 on my 2020 last report where I presented the results of our ministry that year and what we were planning for the new one (2021)

A very special attention was giving to planting new churches in places where it was needed

These were the targets for 2021: Planting church in Ecuador, Using the radio for planting new works in Venezuela, continue growing our local work in the Tampa area, Florida

2021 END-OF-YEAR REPORT

On 2021, we were able to work and give evangelistic support to the following places:

Quito, Ecuador with a new vibrant congregation in El Condado. (PIC 1)

Because of our support to the radio program (Planned on 2020) a congregation in Valera Venezuela was able to establish two new congregations: Barrio Libertad and Escuque. (PIC 2)

Tampa Spanish Group grew up to around 30 in attendance. (PIC 4)

We were able to sent Bibles (Adults & Children), clothes and shoes to several congregations in Venezuela. (PIC 5)

Three Bible courses were taught to the students of Texas International Bible Institute (TIBI). (PIC 6)

Many lessons on Christian living, marriage and others were taught every month through Videoconferencing (Zoom). (PIC 7)
