Multicultural Ministry in Tampa, FL Around 7 different Nationalities

Worshipping in Spanish

Living in Tampa make you to recognize two things: First, it is the third most visited city in Florida. Second, it has one of the largest Spanish-speaking population in Florida.

Thinking about how to reach this population for Christ, I have talked to one of the members of the group who has experience in "marketing". He gave me the idea to print a newsletter with a family subject at least two times per month. So, I am planning to write on the newsletter a good family message and a list of church events. Please, pray for us as we begin launching this marketing strategy.

Future Events

- Sending out a newsletter to Tampa Local community (May)
- Marriage Seminar (May)
- Cuba Training School begin using my program as a class (May)
- Evangelistic Campaign in Tampa (July)
-

“What shall I do, Lord?’ I asked.
“‘Get up,’ the Lord said, ‘and go into Damascus. There you will be told all that you have been assigned to do.’ Acts 22:10

To God, be the glory! More churches are using the evangelistic brochures. That is also the case of a church in Lima, Peru. They just start training a group of mainly young people with our brochures for evangelism. Please, continue to pray for us as we plant the Gospel's seed in the heart of many in the world

This is one example (Video & brochure) of how we are delivering our materials to many Spanish-speaking congregations around the world.

“May God continue to bless you.
